## *The Christmas Chant of Love*

Dear *my Beloved*,

I am a simple *Man*, and my words will be simple.

Please accept what is Good in them, as it is not from me, but through me.

I am coming back from a long journey. I had forgotten who I was, but now I remember.

I am *your Beloved*, I am *Man*.

*"I belong not to you, you belong not to me,  
I belong to the God-Love,*

*but if you are my Spirit through whom God's  
Love flows,  
if you are the image of God-Love*

*I shall love you will all my Heart, all my  
Mind and all my Body.*

*And I shall come where you dwell in solitude,  
and eat from your hands, and anything you  
will be giving me will be sacred and there will  
be no sin but against my Spirit, because in  
Love you will be Holy."*

You were with me in my journey in a distant *Game of Love*. You were hidden, but now I see you, and I recognise you.

You are my *Twin*, mirror of *True Beauty*.  
Through you I know myself.

*Male and Female, Two, but One. The Symmetry of  
Truth.*

Like the *sacred Lily*, and the *sacred Lotus Flower*,  
*hermaphrodites* in the *symmetry of sexes*, complete  
in the *conjunction of the opposites*.

*My Beloved*, in the *Spiritual World*, there is no  
*Time and Space*.

We are but "*Spheres of Love*", which overlap  
and merge. There is no Lust, but *Divine  
Passion*.

Let us expand moving upward along the *Reed  
Hut of Love* and encompass the whole *World*.

I will show you a shorter way. Look at the rays along the wall of the *Reed Hut of Love*. They are called the *Rays of Consciousness*, or the *Outer Rays*.

That is the way of the *Man with Garments*. **Red, Orange, Yellow, Green, Blue, Indigo** and **Violet** are the colours of the *Outer Rays*. The colours of the *Rainbow*.

From East to West, from North to South the

*Man with Garments* ascends the *Reed Hut of Love*.

Now look inside the *Reed Hut of Love*, hidden within there is but one post, which sustains the whole *Reed Hut of Love*. It is called the *Ray of Love*, or *the Inner Ray*, or *the Spiritual Ray*. White is its colour. This is the way of the *Naked Man*.

Inside the *Reed Hut of Love* is the brightness of the *Spiritual Sun*, outside of the *Reed Hut of Love* is the brightness of the *Natural Sun*.

Longer is the way of the *Outer Rays*, shorter is the way of the *Inner Ray*.

Inside is *Heaven* and outside is *Earth*. We live in between, in a *Middle* which does not exist.

We will move from *Heaven* to *Earth* and from *Earth* to *Heaven*, along a *Middle* which is not.

So that *Heart, Mind* and *Body* will be *One*. Never forget, though, that the *Reed Hut of Love* is sustained by the *Spiritual Ray*, the East as the West, the North as the South. We have but one common post, which *sustains and unites us All*.

As we move along the *Ray of Love*, we have *no garments*, we are *naked* and we are not ashamed. There is *No Time and No Space*.

As we move along the *Outer Rays*, we are wearing *garments* and we are ashamed. There is *Time and Space*.

*My Beloved*, how beautiful are the colours of the *Rainbow*. But pay attention. There is a secret.

“OLD AND NEW SHALL COEXIST TOGETHER

WE ARE HEART, MIND AND BODY, THE TRINITY OF TRUTH  
WE ARE WHAT REMAINS WHEN ALL IS FORGOTTEN.

WHAT WE WERE EXISTS NO MORE BUT IN WHAT WE ARE.

SO THAT THE PAST DOES NOT EXIST THAN IN THE *PRESENT*, BEING EVERLASTING IN WHAT IS RETAINED.

SO IT IS THE BEAUTY OF TRUTH AND THE TRUE BEAUTY. UNIVERSAL AND TIMELESS”

*My Beloved*, do you understand?

Only what is from *Love* is everlasting, only what is sustained from within the *Reed Hut of Love* will remain. All the rest will be no more.

So we shall live between *Heaven* and *Earth*, in a *Middle* which does not exist. We shall retain all that is *Beautiful*, all that is *Beautiful* being from *Love*.

*Love is conjoined with Truth*, so that *Truth is Beauty*.

So the *Inner* will be united to the *Outer*, *Heaven* to *Earth*, the *South* to the *North* and the *East* to the *West*, and within our *Sphere of Love*, *Female* and *Male* will be *One*.

So it is that we are all united in *Love*, in the *conjunction of the opposites*.

So that we shall not choose between *Heaven* and *Earth*, but live in a *Middle* that does not exist.

From the West I travelled to the East.  
From the East I travelled to the West.

I have learned, as a *pupil from his Master*, that there is a *Reed Hut* in each Man, an *inside* and an *outside*, and the *outside* is sustained by the *inside*.

It is called the *Man Reed Hut of Love* and it resembles the *Reed Hut of Love*, or *Universal Reed Hut of Love*.

The inner post has the same name, the *Ray of Love*.

So I saw the *inner Beauty of Man*, the *Beauty of Love and Truth*, in every Man.

I saw that all that *was* is *now*. So what is *Sacred and True* is *Spiritual, Universal and Timeless*. What was, is and will be.

I saw that the *Law of Truth* is encrypted in every Man. I saw that the *Law of Truth* encompasses all *outer Laws*. It is called the *Law of Love*.

Man shall live in the *Middle* which does not exist, so that the *Law of Love, Universal and Timeless*, will sustain all *outer Laws*, coloured of the colour of the *Rainbow*.

So what is from *Love* will be *Universal and Timeless*, and *all-embracing*.

I am coming back. Nothing is any more hidden and what was hidden will be known. A *new life* will be born.

I have seen a *Comet* travelling from the *inner* to the *outer* of the *Universal Reed Hut of Love*.

It will cross the skies on *Christmas' Eve* and it will be *Full Moon*.

*To My Beloved*, with all my *Heart*, abode of my *Spirit*, all my *Mind* and all my *Body*.

*Man, your Beloved*,

*24<sup>th</sup> of December 2015, from Heaven.*

*Letter from My Beloved*

## *The New Year's Day Chant of Love*

Dear *my Beloved*,

you are a simple *Man*, and your words shall be simple.

I accept what is Good in them, as it is not from you, but through you.

I longed for you since *Eternity*, you longed for me since *Eternity*.

You had forgotten who you were, but now you remember.

You are *my Beloved*.

*"I belong not to you, you belong not to me,  
I belong to the God-Love,*

*I am your Spirit through whom God's Love flows,  
I am the image of God-Love*

*I will love you with all Your Heart, all Your Mind and all Your Body.*

*And you will come where I dwell in solitude,  
and eat from my hands, and anything I will be giving you will be sacred and there will be no sin but against your Spirit, because in*

*Love I will be Holy."*

I was with you in your journey in a distant *Game of Love*.

I am your *Twin*. In the *Middle* which is not, I am *Mirror of True Beauty*.

Through me you know yourself.

*My Beloved*, in the *Spiritual World*, there is no *Time and Space*, but a *Circle of Love*.

In the *Circle of Love*, of *no Beginning and no End*, we are *Two*, but *One*. The *Symmetry of Truth*.

This is the *End* and the *Beginning*.

Like the *sacred Lily*, and the *sacred Lotus Flower*, *Male and Female*, *Two*, but *One*.

Through me you are reborn into a *New Life*. In the *Middle* which does not exist, I am your *Mother and Spouse*. *Two*, but *One*.

We are but "*Spheres of Love*". Let us expand moving upward along the *Reed Hut of Love* and encompass the whole *World*.

In the *Middle* which is not, **Red, Orange, Yellow, Green, Blue and Violet** are the colours of the *Rays of Consciousness*.

White is the colour of the *Ray of Love*.

Now Look at the *Reed Hut of Love*.

As you move along the *Reed Hut of Love*, the **Orange** Ray of Consciousness moves closer to the **Blue** Ray of Consciousness, the **Green** Ray of Consciousness to the **Red** Ray of Consciousness, the **Violet** Ray of Consciousness to the **Yellow** Ray of Consciousness.

The *East* moves closer to the *West*, the *North* to the *South*, the *Inner* to the *Outer*.

It is the *conjunction of the opposites* in the *Symmetry of Truth*.

As you move along the *Reed Hut of Love*, the *Rays of Consciousness* move closer to the *Ray of Love*.

**Orange, Blue, Green, Red, Violet** and **Yellow** move closer and merge into the *White*, which is *One and All* colours.

So it is for the *Universal Reed Hut of Love* and the *Man Reed Hut of Love*, the *Inside* and the *Outside* of *Man*, the *Macrocosm* and the *Microcosm*.

*Man* is *One and Many*. The *Universe* is *One and Many*.

*God-Love* is the *One in Many*.

It is the *Law of Correspondences* and the *conjunction of the opposites*.

We are but *Spheres of Love, One and Many*.

In the *Spiritual World* there is not *Time and Space*, so the *Rays of Consciousness* and the *Ray of Love* meet in one point of the *Middle* which does not exist.

It is called the *point which is not, or the Top of the Reed Hut of Love*. It is the abode of the *Spiritual Sun*, image of *God-Love*.

*My Beloved*, how beautiful is the *Natural Sun*. But pay attention. There is a secret.

“THE REED HUT OF LOVE LEADS TO THE GOD-LOVE

WHERE PAST, PRESENT AND FUTURE ARE BUT ONE.

WHERE THE NATURAL WORLD AND THE SPIRITUAL WORLD ARE BUT ONE, AND

WHAT IS NOT IS NOT.

WHERE HEART, MIND AND BODY ARE BUT ONE, AND WILL EXIST NO MORE BUT IN WHAT WE ARE.”

*My Beloved*, do you understand?

At the base of the *Reed Hut of Love* furthest is the distance between *Man* and *God-Love*. Furthest is the distance between *East* and *West*, between *South* and *North*, between the colours of the *Ray of Consciousness* and the *White* of the *Ray of Love*.

There is *East* and *West*, *North* and *South*, *Inside* and *Outside* of *Man*, there is *Male* and *Female Inside* and *Outside* of *Man*.

*My Beloved*, let us move upward along the *Reed Hut of Love*, towards *God-Love*. *God-Love* is *Unchangeable*, so *Indivisible. One in All*.

The way of the *Rays of Consciousness* is longer. It is called the *Path of Consciousness*. The way of the *Ray of Love* is shorter. It is called the *Path of Love*, or the *Path of the Simple Man*.

In the *point which is not*, *Man* is reborn in the image of *God-Love*.

In the *Spiritual World* there is no *Time and Space*. So the *movement* along the *Reed Hut of Love* is *no-movement*, the *Path* to the image of *God-Love* is *no-Path*.

*Movement* and *no-movement*, *Path* and *no-Path*, the *Symmetry of Truth* in the *conjunction of the opposites*. Only in the *Middle* which is not, there is *movement* and a *Path*.

As *Man* moves along the *Reed Hut of Love*, *Heart, Mind* and *Body, Inner* and *Outer* are transformed and *beautified* by *Love*.

At the base of the *Reed Hut of Love* *Man* has *Human Eyes*, one *Spiritual Eye* and one *Natural Eye*. At the *point which is not*, *Man* has *Divine Eyes, or Spiritual Eyes*.

In the *Middle which is not*, *Man* has but *One Eye*. It is the *conjunction of the opposites*. The *Symmetry of Truth*.

With *Spiritual Eyes* Man sees the colours of the *Rainbow* transformed and *beautified* by *Love*.

At the base of the *Reed Hut of Love*, the colours of the *Rainbow* are called *Natural Colours*.

At the *point which is not*, the colours of the *Rainbow* are called the *Spiritual Colours*, or *True Colours*.

In the *Spiritual World* the *Body of Man* is called *True Body*. The *Beauty of Man* is the *Beauty of Truth from Love*. It is called *True Beauty* or *Inner Beauty of Man*.

At the base of the *Reed Hut of Man* love is called *Human Love*. At the *point which is not* love is called *Divine Love*, or *Love*.

*Divine Love* is *Selfless* and *Unconditional*.

*Divine Truth*, or *Truth*, is truth from *Divine Love*. *Truth* is *Universal and Timeless*.

In the *Spiritual World*, *Truth* and *Love* are *Two*, but *One*.

So in the *Spiritual World*, *Love* is the *Mother of Truth* and the *Wife of Truth*. So *Truth* without *Love* has *no-Life*.

Only when *Love* is conjoined to *Truth* everlasting fruits are begotten. They are called the *Spiritual Fruits*. The *Spiritual Fruits* are *Truth* and *Love* in *Man*.

But we are *Heart*, *Mind* and *Body* and travel between *Heaven* and *Earth*.

We are but *Spheres of Love*, *One and Many*, so let us move up along the *Reed Hut of Love* and encompass the all *World*.

The journey of *Man* along the *Reed Hut of Love* is called the *Journey of Consciousness*, or the *Journey of Love*, or the *Journey of Man*.

The *Journey of Man* is the *Pathless* transformation of *Man* from *Human Man* into *Divine Man*. It is the *Pathless* transformation of *Human Love* into *Divine Love*.

*My Beloved*, in every *Man* is encrypted the image of *God-Love*. The *Journey of Man* is the *no-movement* of *Man* towards *God-Love*.

The *Natural World* is transformed and *beautified* into its original nature. So the *Spiritual World* is also called the *Original World*. The *Spiritual Colours* are also called the *Original Colours*, or *Twin Colours*

In the *Law of Correspondences*, the colours of the *Rainbow* are the qualities of *Man*, which are *beautified* along the *Reed Hut of Love*.

At the *point which is not*, the colours of the *Rainbow* are transformed into the *Original Colours*, or the *Colours of Equal Intensity*.

So the *Spiritual Man* is *White*. *White* is *One and All* colours of the *Rainbow*.

I am the *Mirror* of your *True Beauty*. Through me you see yourself.

In the *Middle* which does not exist, the *Rainbow* is the bridge between the *Spiritual World* and the *Natural World*, between *Heaven* and *Earth*. It is called the *Spiritual Bridge*, or *Divine Bridge*.

It is *New Year's Day* in the *Natural World*.

*Your Beloved*,

*1<sup>st</sup> of January 2016*, from the *Middle* which does not exist.

*Letter To My Beloved*

## The Epiphany Chant of Love

Dear *my Beloved*,

I am a simple *Man*, and my words will be simple.

Please accept what is *Good* in them, as it is not from me, but through me.

I am coming back from a long journey. I had forgotten who I was, but now I remember.

I am *your Beloved*, I am *Man*.

*"I belong not to you, you belong not to me,  
I belong to the God-Love,*

*but if you are my Spirit through whom God's  
Love flows,  
if you are the image of God-Love*

*I shall love you will all my Heart, all my  
Mind and all my Body.*

*And I shall come where you dwell in solitude,  
and eat from your hands, and anything you  
will be giving me will be sacred and there will  
be no sin but against my Spirit, because in  
Love you will be Holy."*

You were with me in my journey in a distant *Game of Love*. You were hidden, but now I see you, and I recognise you.

You are my *Twin, Mirror of True Beauty*.  
Through you I know myself.

*Male and Female, Two, but One. The Symmetry of  
Truth.*

Like the *sacred Lily*, and the *sacred Lotus Flower*,  
*Male and Female, Two, but One.*

Through you I am reborn into a *New Life*.  
In the *Middle* which does not exist, you are  
my *Mother and Spouse. Two, but One.*

We are but "*Spheres of Love*", which overlap  
and merge. There is no Lust, but *Divine  
Passion.*

Let us expand moving upward along the *Reed  
Hut of Love* and encompass the whole *World*.

In the *Middle* which is not, **Red, Orange, Yellow, Green, Blue and Violet** are the colours of the *Rays of Consciousness* of the *Man Reed Hut of Love*. They are called *Man Rays of Consciousness*.

White is the colour of the *Ray of Love*.

In the *Middle* which is not, **Red, Orange, Yellow, Green, Blue and Violet** are the colours of the *Rays of Consciousness* of the *Universal Reed Hut of Love*. They are called *Universal Rays of Consciousness*.

White is the colour of the *Ray of Love*.

In the *Middle* which does not exist, *All* is interconnected. *All* that is in the *Past*, *All* that is in the *Present*, and *All* that is in the *Future*.

So that *All* is interconnected *inside* of *Man* and *outside* of *Man*. The interconnection *inside* of *Man* is called the *Internal Interconnection*. The interconnection *outside* of *Man* is called *Universal Interconnection*, or *Natural Interconnection*, as it is not from *Man*, but with *Man*.

So the *Man Reed Hut of Love* is interconnected with the *Universal Reed Hut of Love*.

The image of *God-Love* is encrypted in the *Heart* of every *Man*. *One* in every *Man*, *One* in *Many*.

*God-Love* is a sole giver. It is called *Love Giver*.

The *Love* that flows from *God-Love* into *Man* is called the *Flow of God-Love*, or *Flow of Divine Love*.

It is a flow of *Divine Love*.

*Flow of Divine Love* vivifies the image of *God-Love* that is encrypted in the *Heart* of every *Man*.

As *Divine Love* flows, *Man* is transformed and moves along the *Reed Hut of Love*.

As *Man* moves along the *Reed Hut of Love*, the *inner* colours of *Man* are *beautified* and *purified*.

The *inner* colours of *Man* are the colours of the *Inner World* of *Man*. The *inner* colours of *Man* are the qualities *inside* *Man*.

They are called the *qualities of Man*.

As the *inner* colours of *Man* are *beautified* and *purified* so are *beautified* and *purified* the *outer* colours of *Man*.

The *outer* colours of *Man* are the colours of the *Outer World* of *Man*. The *outer* colours of *Man* are the qualities *outside* of *Man*.

They are called the *qualities outside of Man*.

So the *Inner World of Man* and the *Outer World*

of *Man* are transformed and *beautified* by the *Flow of Divine Love*.

So *All* and *One* is transformed by the *Flow of Divine Love*.

In the *Spiritual World* the *Flow of Divine Love* is the *giving* of *Divine Love* from *God-Love* to *Man*, and the *receiving* of *Divine Love* of *Man*.

So there is no *giving* without *receiving*, and there is no *receiving* without *giving*.

*Divine Love* flows into the *Spiritual Heart* of *Man*. The spiritual heart of *Man* is called the *Spiritual Heart*.

In the *Middle* which does not exist, the abode of the *Spiritual Heart* is in the *Natural Heart* of *Man*.

In the *Spiritual World* there is a door to the *Spiritual Heart* of *Man*. It is called the *Door of the Heart*, or the *Fissure of Heaven*, because it is the way of *Divine Love* from *God-Love*.

*Divine Love* flows through the *Door of the Heart* into the *Spiritual Heart* of *Man*.

*My Beloved*. How beautiful is the *Natural Sun*. But pay attention. There is a secret.

“THE REED HUT OF LOVE LEADS MAN TO THE GOD-LOVE

WHERE PAST, PRESENT AND FUTURE ARE BUT ONE.

WHERE THE NATURAL WORLD AND THE SPIRITUAL WORLD ARE BUT ONE, AND WHAT IS NOT IS NOT.

WHERE HEART, MIND AND BODY ARE BUT ONE, AND WILL EXIST NO MORE BUT IN WHAT WE ARE.”

*My Beloved*, do you understand?

*God-Love* receives by *giving* *Divine Love* to *Man*. *Man* gives to *God-Love* by *receiving* *Divine Love*.

So loving *God-Love* is *receiving* *Divine Love*.

The *Path of Love* along the *Reed Hut of Love* leads to the *conjunction of the opposites, giving and receiving*.

As *Man* moves along the *Reed Hut of Love, Heart, Mind and Body, Inner and Outer* are transformed and *beautified*.

As *Man* moves along the *Man Reed Hut of Love* *Man* moves along the *Universal Reed Hut of Love*.

When the *inside* is transformed, the *outside* is transformed.

The *outside* is transformed because *Man* is transformed.

When the *outside* is transformed *Man* sees the image of *God-Love* encrypted in the *Spiritual Heart* of every *Man* manifested in the *Natural World*.

When the image of *God-Love* is manifested in all *Worlds*, the image of *God-Love* is *real and alive*, as *God-Love* cannot but exist in all *Worlds*. It is called the *Living God-Love*.

The *Living God-Love* is manifested in the *beautified Heart, Mind and Body* of *Man*.

*My beloved*, let us travel from *Heaven* to *Earth*, from the *Spiritual World* to the *Natural World*, from *Inside* to *Outside*, until the image of *God-Love* is fully manifested in *Beauty and Purity*, in *One* and *All*.

*Divine Love* flows *naturally* into the *Spiritual Heart* of *Man* when the *Door of Heart* is open to *Divine Truth and Love*.

*Divine Love* cannot flow but *naturally*, as in the *Spiritual World* the *Understanding of Man* is from the *Will of Man* and the *Will of Man* is from *Love and Truth*.

So in the *Spiritual World* a *thought of Love* is an *act of Love*.  
*Love* is *Divine Love*.

Today, in the *Natural World*, is the *Feast of Epiphany*. In the *Natural World*, it is called “*la*

*Befana*” or “*manifestation of the divinity*”.

Your *Beloved*,

6<sup>th</sup> of January 2016, from the *Natural World*.

*Dialogue with My Beloved*

## *The Valentinus Chant of Love*

Dear *my Beloved*,

I am a *Simple Man*, and my words will be simple.

Please accept what is *Good* in them, as it is not from me, but through me.

I am coming back from a long journey. I had forgotten who I was, but now I remember.

I am *your Beloved*, I am *Man*.

*"I belong not to you, you belong not to me,  
I belong to the God-Love,*

*but if you are my Spirit through whom God's  
Love flows,  
if you are the image of God-Love*

*I shall love you will all my Heart, all my  
Mind and all my Body.*

*And I shall come where you dwell in solitude,  
and eat from your hands, and anything you  
will be giving me will be sacred and there will  
be no sin but against my Spirit, because in  
Love you will be Holy."*

You were with me in my journey in a distant *Game of Love*. You were hidden, but now I see you, and I recognise you.

You are my *Twin, Mirror of True Beauty*.  
Through you I know myself.

*Male and Female, Two, but One. The Symmetry of Truth.*

Like the *sacred Lily*, and the *sacred Lotus Flower*,  
*Male and Female, Two, but One.*

Through you I am reborn into a *New Life*.  
In the *Middle* which does not exist, you are  
my *Mother and Spouse. Two, but One.*

We are but "*Spheres of Love*", which overlap  
and merge. There is no *Lust*, but *Divine  
Passion.*

Let us expand moving upward along the *Reed  
Hut of Love* and encompass the whole *World*.

*My Beloved, Mirror of True Beauty*, tell me about  
the mysteries of the *Natural World*.

*My beloved, Man*, look at the *Reed Hut of Love*.

As *Man* moves along the *Reed Hut of Love*, the  
**Orange** Ray of Consciousness moves closer to  
the **Blue** Ray of Consciousness, the **Green** Ray of  
Consciousness to the **Red** Ray of Consciousness,  
the **Violet** Ray of Consciousness to the **Yellow**

*Ray of Consciousness.*

As *Man* moves along the *Reed Hut of Love* the middle point between the *opposites*, *Orange* and *Blue*, *Green* and *Red*, *Violet* and *Yellow* moves along the *Ray of Love*. The middle point between the opposites is called the *Mean*. It is the *Symmetry of Truth* in the *conjunction of the opposites*.

Do you understand?

The *Law of the Mean* is but the *Law of Love*.

In the *Law of the Mean* *Man* moves between *East* and *West*, *North* and *South*, *inside* and *outside*, *up* and *down* and perceives the *duality of the opposites*.

In the *Law of Love* *Man* is *still* and perceive the *singleness of the opposites* which are no more. So in the *Law of Love*, the *opposites* are no *opposites*. The *singleness* of *Man* and in *Man* is called *Oneness*.

*My beloved, Man*, the *Sheep* and the *Lion*, the *First* and the *Last* are *opposites* of the *Natural World*.

In the *Law of Correspondences*, the *Sheep* and the *Lion*, the *First* and the *Last* are qualities of *Man*.

At the base of the *Reed Hut of Love*, *Man* shall move between the *State* of the *Sheep* and the *State* of the *Lion*, the *State* of the *First* and the *State* of the *Last*.

At the *Top of the Reed Hut of Love* *Sheep* and *Lion*, *First* and *Last* are single *States*. At the *Top of the Reed Hut of Love*, the *Lion* is *Sheep* and the *Sheep* is *Lion*, the *First* is *Last* and the *Last* is *First*.

In the *Spiritual World* there is no *Space* and *Time*, so the *First* is not preceding the *Last*, the *Last* is not following the *First*.

So the *Son of God-Love* is *Lion* and *Sheep*, and *All* animals of the *Natural World*.

The *Son of God-Love* is *First* and *Last*, and *All*

the *States* in between in the *Natural World*.

*My Beloved*. How beautiful is the *Natural World*. But pay attention. There is a secret.

“THE REED HUT OF LOVE LEADS MAN TO THE GOD-LOVE

WHERE PAST, PRESENT AND FUTURE ARE BUT ONE.

WHERE THE NATURAL WORLD AND THE SPIRITUAL WORLD ARE BUT ONE, AND WHAT IS NOT IS NOT.

WHERE HEART, MIND AND BODY ARE BUT ONE, AND WILL EXIST NO MORE BUT IN WHAT WE ARE.”

*My Beloved*, do you understand?

The *Son of God-Love* is *Truth*, and *Truth* is *Universal* and *Timeless*.

In the *Law of Correspondences* *Truth* is *Light*. So the *Son of God-Love* is called the *Enlightened Man*.

*Light* is at the *end* when it is at the *beginning*, it is at the *beginning* when it is at the *end*. In *Time* and *Space*.

In the *Spiritual World* it is called the *Law of Truth*. In the *Natural World* it is called the *Law of Light*.

So the *Law of Truth* and the *Law of Light* are *Universal* and *Timeless*. In the *Natural World* a law which is *Universal* and *Timeless* is called *Absolute*. A law which varies in *Time* and *Space* is called *Relative*.

*Truth* is *Absolute*, *truths* are *Relative*.

The *Son of God-Love* at the *Top of the Reed Hut of Love* sees with the *Spiritual Eyes* the *Absolute Truth*.

The *Son of God-Love* at the *Top of the Reed Hut of Love* is the *Absolute Truth*.

The *Son of God-Love* is *Truth* and *Love*. In the *Law of Correspondences* *Truth* is *Light* and *Love* is *Heat*, so the *Son of God-Love* is *Light* and *Heat*.

The *conjunction* of *Light* and *Heat* is the *Life giver* of the *Natural World*. The *conjunction* of *Truth* and *Love* is the *Life giver* of the *Spiritual World* in *Man*. A *Life giver* is called *Creator*. So the *Son of God-Love* is *Creation* and *Creator*.

The *Son of God-Love* from the *Top of the Reed Hut of Love* sees what is *Universal and Timeless*, that is the *General*.

In the act of *Creation*, the *Son of God-Love* descends towards *Man* and sees what is limited in *Time* and *Space*, that is the *Particular* which derives from the *General*.

So the *Son of God-Love* ascends the *Reed Hut of Love* from the base to the top and descends the *Reed Hut of Love* from the top to the base. So the *Reed Hut of Love* is *Two, but One*. It is the *Symmetry of Truth* in the *conjunction of the opposites*.

The *Son of God-Love* descends to the base of the *Reed Hut of Love* as a *sole giver* to *Man* of *Unconditional Love, or Divine Love*.

So the *Son of God-Love* is and sees what is *Absolute* and what is *Relative*, what is *General* and what is *Particular*.

At the base of the *Reed Hut of Love*, the *Son of God-Love* sees that the *Sheep* and the *Lion* are *relative truths*.

At the *Top of the Reed Hut of Love*, the *Son of God-Love* sees that to be a *Sheep* is to *Love of Divine Love* and to be a *Lion* is to *Love of Divine Love*.

*Divine Love* is *Universal and Timeless*, so the *Sheep* is *One manifestation* of the *Absolute Truth*, and the *Lion* is *One manifestation* of the *Absolute Truth*. The *Sheep* and the *Lion* is *Two, but One manifestation* of the *Absolute Truth*.

The *Son of God-Love* lives *in the World* and *out of the World*, in the *Spiritual World* and in the *Natural World*, in *Heaven* and on *Earth*.

So it is written in the *Natural World* that *Man* who ascends to the *Top of the Reed Hut of Love* is *greater* than all *Angels of Paradise*.

*Man* who ascends to the *Top of the Reed Hut of Love* has *One* and *All* colours of the *Rainbow*.

So the *Son of God-Love* is *One* and *Many manifestations*.

The *Son of God-Love* sees and is *Absolute* through the *Relative* and *Relative* through the *Absolute*.

So *Divine Passion* is *Divine Love* in *Human Man*.

Yesterday in the *Natural World* it was the feast of courtly *Love*. It is called the feast of *Valentinius*, or the feast of *Saint Valentine*.

I saw a golden statue. In the *Natural World* the golden statue is called the *Sacred Heart*. The bell of the *Sacred Heart* tolled once.

*My beloved, Man*, there is no mystery any longer.

*My Beloved*, I am a *Simple Man*.

I am and see what is *Relative*. I shall move upward along the *Reed Hut of Love* from *East* to *West*, from *North* to *South* and perceive the perfumed colours of *Divine Love*.

To *My Beloved*, with all my *Heart*, abode of my *Spirit*, all my *Mind* and all my *Body*.

*15th of February 2016, from Rome.*
